AT RIVES & ASSOCIATES, LLP WE KNOW CAPTIVE INSURANCE

With more than 50 years of combined experience in the Insurance Accounting field, our teams of Certified Public Accountants, and Attorneys understand captive insurance, the impact on the sponsoring company(s), and how to properly establish and monitor performance. Our teams of experts go beyond the basics to ensure com-

pliance, while maximizing benefits. Our teams have both on-shore and off-shore experience with several captive managers, and draw on that experience to make a cost effective efficient approach tailored to the needs of captive managers, boards of directors, and sponsoring companies.

With three on-shore offices, and authorization in Nevis, Anguilla, and many US domiciles, our Firm has the breadth of services, typically offered by only the largest accounting firms. By focusing on this niche we bring experience, and expertise at an efficient price.
